FRANCESCO MARIA FULIGNI

francescofuligni20@gmail.com | Bologna, Italy
GitHub | LinkedIn | bento.me/fula

PROFILE

Curious about what lies beneath the surface of intelligent systems, I'm especially interested in how AI agents coordinate, where they fail, and what makes them trustworthy. I enjoy asking precise questions and turning rigorous inquiry into responsible technology with real-world value.

EDUCATION

MSc in Computer Science 2025 – Present
University of Bologna Bologna, Italy

Erasmus+ Exchange Program Aug 2026 – Jan 2027
Stockholm University Stockholm, Sweden

BSc in Computer Science for Management 2022 – 2025
University of Bologna | 110/110 cum laude Bologna, Italy

Thesis: Organizational implications of the NIS2 Directive and the CISO's role in implementation.

High School Diploma in Applied Sciences 2017 – 2022
Liceo Scientifico Enrico Fermi | 100/100 and honours Bologna, Italy

EXPERIENCE

Full Stack Developer Intern Feb 2025 – Apr 2025
Olio SB San Lazzaro di Savena (BO), Italy

- Developed and maintained frontend and backend features for Olio's e-commerce management system across order processing, administration, and warehouse workflows
- Integrated Linear and automotive parts supplier APIs, automated data exchange, and built backend controllers and services
- Improved database query performance with indexing and data cleanup; built warehouse tracking and ticket management interfaces, improving usability and surfacing business statistics
- **Tech Stack:** JavaScript, Node.js, AdonisJS

SKILLS

Programming: Java, JavaFX, JavaScript, TypeScript, Python, C++, MATLAB, PHP, Mathematica
Frameworks & tools: React, Node.js, AdonisJS, PyTorch, Jupyter
Data: MySQL, SQL/XML, XQuery, Data Warehousing, Data Mining
AI & imaging: Machine Learning, Deep Learning, CNNs, RNNs, Transformers, Generative Models, Computer Vision
Digital forensics: Evidence acquisition, preservation and analysis; chain of custody; device, network and cloud forensics
Core strengths: Problem-solving, teamwork, leadership, adaptability

LANGUAGES

English: C1 | IELTS Academic 8.0, November 2025
